## 2. Composition

The PMSA Board shall appoint the Committee. It shall have a maximum of six members, composed of the Chair and other members as determined by the Board, of whom two may be external members. Senior management representatives (CEO, CFO and Risk Director) may be appointed as ex officio members with no voting powers.

The Chair will be appointed by the PMSA Board. Nominations for Chair shall be approved at the Annual General Meeting.

It is preferable that all governance members be independent of School Councils and free from interests, which might, in the opinion of the PMSA., be construed as a conflict of interest. If a member is a member of another PMSA committee or School Council, such role shall be declared and the member shall abstain from any discussions or decisions concerning issues that may affect that committee or school. The Chair of any School Council is ineligible to be a member of this Committee. The Chair of each of the School Councils, Principals and Business Managers, not being eligible for membership of this Committee, attend Committee meetings and participate in discussions as required.

The Committee may from time-to-time invite any other person to attend meetings and participate in discussions concerning specific issues.
