

The Presbyterian and Methodist Schools Association (PMSA) is offering a limited number of Teacher Education Scholarships to current and past students of PMSA schools - Brisbane Boys' College, Clayfield College, Somerville House and Sunshine Coast Grammar School.

The purposes of the scholarships are:

- To foster a respect for the importance of teaching as a profession.
- To assist aspiring teachers who align with Christian faith schools to complete an approved teacher education program to enable them to make a difference in the schools they serve.

The PMSA Teacher Education Scholarships are intended to help develop a group of suitably qualified teachers who aspire to both serve in PMSA schools and gain valuable teaching experience in other educational settings.

A limited number of scholarships, each worth \$2,000 per annum for up to four years of study will be made available to suitable students entering an undergraduate teacher education degree course.

ELIGIBILITY

To be eligible, an applicant must:

- Either be a current student of a PMSA school, or have attended a PMSA school in the last two years, and have attended the PMSA school for at least two years;
- Be a permanent Australian resident student; and
- Be accepted, or will be confirmed as accepted, to commence a full-time undergraduate teacher education degree course in the next calendar year or be currently enrolled in such a course.

CRITERIA

Applicant will be assessed on the following criteria:

- 1) Demonstration of membership of a Christian church, engagement in Christian faith, life and service, active involvement in their school's Christian service activities and modelling of the Christian ethos of their school.
- 2) Contribution to their PMSA school and demonstration of the PMSA values (relationships, excellence, care, ethics, personal development and celebration).
- 3) Overall academic performance and suitable for the profession of teaching.
- 4) Commitment to personal learning and to the education and development of young people through the teaching profession.

CONDITIONS

- 1) Each scholarship is for \$2,000 per annum in 2020, which will be adjusted annually by the Australian Consumer Price Index increase.
- 2) A scholarship may be offered for up to four years.
- 3) Scholars must maintain a full time study load in each semester, in the approved course. Any variation in enrolment from the approved course must be approved by the PMSA, prior to any change, for eligibility to continue. Approval will depend on evidence (eg: Dean's advice) that the course continues to meet the intention of the scholarship to foster Christian teachers in the education for that profession.
- 4) The scholarship is paid in semester instalments at the start of each semester, on receipt of

evidence of acceptance into and enrolment in an approved full-time undergraduate teacher education degree course at an Australian University or Teachers Training College.

- 5) A semester's scholarship payment is repayable if the student fails to continue with enrolment in the approved course for that semester.
- 6) Payment of subsequent instalments is dependent on evidence of successful completion of the previous semester's course of study. A scholarship may be suspended if a scholar fails to successfully complete a semester's study (ie: subject grades at or above a pass or equivalent level). The scholarship may then be restored for subsequent semesters, if the scholar demonstrates a return to satisfactory performance.
- 7) Scholars are to meet with the PMSA's representative at least once per semester, and provide evidence of academic progress at the end of each semester.
- 8) The scholarship is provided at the discretion of the PMSA, which reserves the right to determine any factors affecting the continuation or suspension of the scholarship and eligibility for the scholarship.
- 9) The PMSA does not guarantee employment at the completion of the scholar's tertiary study.
